

Help support the RRF/PSI Scholarship Program!

Since 2000, we have awarded \$1,500 scholarships to 64 deserving college students who are related to employees of PSI member companies.* To ensure the continuance of this program — an investment in the future of these young lives — we need your assistance in meeting our fundraising goal for 2016!

In 2015, these outstanding students joined the roster of past recipients:

- Erin Farrell** (RockTenn)
- Max McClellan** (Pioneer International)
- Julio Membreno** (Miami Waste Paper)
- Brooke Wolfe** (American Baler)

Visit www.paperstockindustries.org for the complete list of past scholarship recipients.

*Be sure to inform your employees of this great membership benefit!

The Recycling Research Foundation (RRF) is a non-profit 501(c)(3) tax-exempt organization. Contributions are tax-deductible as allowed by Internal Revenue Service Code.
